Summary:

It's okay, I know my place

Sad Song

Author's Note:

Takes place after season 2
El never came back
Lucas and Max never dated
Toxic relationship

I know I'm a stop on the way to your soulmate

Max smiled sadly as her boyfriend kissed her cheek. Lucas, Dustin, and Will fake gagged in response.

I'll fill you up, but only while you wait

Mike felt bad for using her like this, but she was the only thing he had like El. Maybe it was because she was a girl. If they weren't dating, maybe he wouldn't be so cold to her.

You're everything to me, I see my future in your eyes

He knew Max loved him. She told him every night. Everytime he hurt her. How could she still love him?

But I know when you're kissing me, you're just killing time

Mike pulled her onto his lap, feeling bad after last night. He rested his head on her shoulder, wishing he were hugging El instead.

It's okay, I know my place

"I'm sorry, Max." He mumbled softly. Max just nodded.

I know I'm a stop on the way

"I know you miss her, Mike."

To your soulmate

She could feel his tears wetting her shoulder.

"I'm sorry." He sobbed, tightening his grip on her.
